

TECHNICAL DATA

GB SCREENWASH/DE-ICER

APPLICATIONS

GB SCREENWASH/DE-ICER is an outstanding vehicle screenwash concentrate, formulated with a blend of alcohol, glycol and wetting agents to remove dirt, insects, traffic film and light frost from vehicle windscreens. It is blue in appearance and contains a pleasant apple fragrance, to alleviate the strong alcohol odour normally associated with these products.

PERFORMANCE FEATURES

- Excellent freezing point depression
- Suitable for hard or soft water areas
- Non-smearing
- Excellent cleaning performance
- Eliminates annoying screen judder
- Suitable for summer and winter use
- Contains a subtle perfume
- Free from methanol and iso-propanol
- Does not damage wiper blades or rubber seals

DILUTION

SEASON	MIXTURE	FREEZING PROTECTION
Summer	9 parts water, 1 part Screenwash	-4°C
Winter	3 parts water, 1 part Screenwash	-10°C
Severe Conditions	Use neat	-32°C

To use as a De-icer: spray the undiluted product via a trigger spray onto the windscreen.
